

SEA PTA Volunteer Opportunities 2017-18 School Year

There are lots of ways to get involved in the SEA PTA!
There are many activities during the year that we coordinate
through various committees.

If you are interested in volunteering to help with any of these events or programs, please fill out the form below. A PTA Board Member or the Committee Chair for the event will contact you when there are volunteer needs. You may volunteer for as many committees as you wish! You do not need to be a PTA member to get involved – everyone is welcome!
